The Honorable Sam Graves
Ranking Member
U.S. House Transportation and Infrastructure
Committee
2167 Rayburn House Office Building
Washington, DC 20515

Dear Chairman DeFazio and Ranking Member Graves,

I am requesting funding for the East Seneca Street Bridge Rehabilitation Project in the City of Oswego, New York, in the 2021 surface transportation reauthorization legislation.

The sponsor for this project is the City of Oswego and this project would be carried out on East Seneca Street in the City of Oswego, New York 13126.

The requested funding amount of \$440,000 would be used for the rehabilitation of the bridge carrying East Seneca Street over CSX trackage in the City of Oswego. The project is an appropriate use of taxpayer dollars and is anticipated to have important safety benefits for my constituents and the surrounding area. As included in the New York State Department of Transportation (NYSDOT) Transportation Improvement Plan, this project would preserve and prolong the service life of the existing structure and help maintain its reliability and integrity to assure the continued safety of the traveling public.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your attention and consideration of this request.

Sincerely,

John Katko
Member of Congress
